

# Youth Program

For Every Player who has a Dream

[www.LeagueofDreams.org](http://www.LeagueofDreams.org)

The Youth Program League starts in the beginning of April and continues through mid-June of each year and welcomes players in the age range of 4-21 years old, with all skill levels and abilities. Adaptive equipment, such as baseball tees, and various sized balls and bats, is used so that athletes of all skill levels can participate. Professional and amateur players serve as instructors and mentors to athletes.

All events are facilitated at schools, amateur and professional baseball parks, and adaptive fields. Through skill-based instruction, specific activities, and game participation, our players experience social acceptance, and a sense of pride and personal accomplishment.

Sponsorship opportunities are available, which provide excellent company awareness and

exposure while helping The League of Dreams underwrite program costs. **Please contact The League of Dreams at (410) 719-1641 to sign up your child or sponsor events.**
